AGENCY TRAINERS

AGENCY TRAINERS

- Have met criteria standards for both facilitators and agency trainers.
- Have completed requisite training and supervision criteria as an agency trainer.

MODEL ADHERENCE

- For those sites that have completed the two year training process how have you continued to maintain the energy, training and necessary follow-up to assure model adherence?

BARRIERS THAT WE ENCOUNTER

- Replacement Trainers
- Facilitator apathy
- Facilitator frustration
- Organizational stress
- Administrative support
- Budgetary concerns

STRATEGIES to MAINTAIN MODEL ADHERENCE

- **Two day initial clinical training.**
- **One day booster 120 days following training**
- **Fidelity tool submission**
- **Direct group observation**
- **Face to face debriefing**
- **Submission of 2 videotapes**

Beyond the Initial Proficiency

- **Annual boosters for facilitators**
- **Random Direct observation of sessions**
- **Random fidelity tool submission**
- **Random videotaping of session**
- **Meetings with agency facilitators**
