

Katherine Barrett, LCSW, RPT-S is the Yolo County Health and Human Services Agency's (HHSA) Supervising Clinician for the Quality Management (QM) Unit for behavioral health programs. She has served in this role for several years and is responsible for development; implementation; and maintenance of the quality assurance, improvement, and control programs. Some of her primary responsibilities include developing and implementing policies and procedures that are compliant with federal and state laws, rules, and regulations.

Prior to rejoining the HHSA QM unit, Katherine was the Supervising Clinician for Child, Youth, and Family Services at Yolo County Alcohol, Drug and Mental Health Department. In this role, Katherine enjoyed serving high-risk children and families. Katherine is a California state-certified supervisor of Trauma Focused-Cognitive Behavioral Therapy treatment; is endorsed as a California Infant-Family and Early Childhood Mental Health Specialist (0-5); and is a Registered Play Therapy Supervisor.

Katherine is an active member of the National Association of Social Workers and is the current immediate past chapter president of the Sacramento Association for Play Therapy. Katherine is originally from New Orleans, Louisiana. She moved to California after meeting her husband on a blind date in Washington, D.C. Katherine still cooks a mean pot of gumbo!
