III. Action Items and Possible Activities:

A. Regional Budget for FY 16/17 – Gina shared information on the training budget as not all information on the entire budget was available at the time of the meeting.

B. Finalized Training Schedule based on budget – Gina shared the training schedule and will follow-up with an email to the Partnership to ensure that details of the trainings are agreeable to most (if not all).

C. Funding Updates/Grant Opportunities (from counties) – this topic was not covered as nobody had any opportunities to share.

D. Suicide Postvention Webinar and Guideline Discussion/Feedback. Recorded webinar is found on the Central Region web page: Nearly 150 people viewed the webinar and approximately 114 people downloaded the guide. At least 3 representatives from 3 different counties that had attended the webinar shared that they plan to implement as the guide suggests and/or similarly.

E. Roving Supervisors Report on Licensure status of county employees. Gina shared the cumulative results and asked if more specific data would be useful to know in terms of outcomes. Several suggestions were made and Gina will take the suggestions back to the Roving Supervisors and/or develop a SurveyMonkey survey to collect the information directly from the supervisees.

F. MHFA Training Coordinators-Meeting to discuss outreach/marketing efforts – Gina asked whether the monthly MHFA Instructor Support Group meeting would be a useful platform at which training coordinators could share or glean from others for this topic. A few said yes and Gina will add their contact information to the MHFA email distribution list.

G. Review DRAFT schedule of meetings for 2017 – The group reviewed the draft schedule of meetings for 2017 and suggested that the July meeting be canceled for its proximity to the 4th of July holiday. Gina will update and disseminate the schedule to the Partnership for final approval.

IV. Updates:

A. Hybrid MSW Program Update – Gina sent an email to Dr’s Brodie and Tibrewal to follow-up with interest in options for future cohorts to expand the summer field placement portion of the hybrid program. Hopefully, a dialogue will bring opportunities. Jennifer Baker may join Gina in any discussions as she has some connections to the university.

B. Mental Health First Aid Instructor Support Group Meeting - Meeting regularly to discuss implementation and training strategies.

C. Coordinator’s Monthly Work Updates – This topic was not covered during the meeting.

V. Adjourn Regional Meeting
