II. Review of Agenda and Minutes:

A. Changes and additions to the agenda: None  
B. Minutes from May 5th, 2016 were approved with no edits.

III. Action Items and Possible Activities:

A. Suicide Community Response Kit – CalMHSA project – Sandra Black gave a presentation on work done on the Guidelines for Community Response Planning After Suicide that is specific to events that occurred in the Tahoe/Truckee area, but that will be replicable and made available to other counties in the Central Region once completed. Feedback was positive; however, some suggestions were made to include a culturally appropriate response when a suicide occurs in a culture that deals with suicide differently.

B. Budget Reconciliation for FY 15/16 – Gina shared a high-level report of expenses to date to compare to the budget for the year. We may be a little short when all expenses come in.

C. DRAFT OSHPD Work Plan for FY 16/17 – Gina shared the DRAFT OSHPD Work Plan and asked for edits. She will follow-up with an email allowing edits for those who were unable to attend. Once all edits are made she will submit the report to OSHPD, timely.

Lunch was provided for those who attended in-person.

IV. Updates:

A. Psychiatric Nurse Practitioner Interns/Supervision Discussion – Sarah Brichler shared about resources she has gathered and provided to date and asked about needs, thoughts or next steps. No counties asked for any specific information.

B. UC Davis Leadership Training Series – This training is being held twice a month – 30 people on one day, 30 different people on the next day each month for 6 months (January through June 2016). Feedback has been positive to date.

C. Hybrid MSW Program Update – Third deliverable was received timely. Next deliverable is due by June 30th, 2016.

D. Online CASRA Course at MJC – Twelve students were sponsored by the Central Region Partnership from five counties to attend this semester. We are requesting information from the instructor regarding how many students remained at the end of the semester. We will request data on the success of this final group of students. We will also disseminate an electronic survey designed to gather information on the impact of the program after final semester is complete.
E. **Roving Supervisors** – We interviewed the single applicant, John Stephen Ellington, on May 11th, 2016. His contract started June 1, 2016 so he can shadow the existing Roving Supervisor for one month. The other supervisors are continuing to contract. Some shared that once their staff get licensed, many leave their counties. There was a bit of discussion around how counties that are utilizing the supervisors will maintain the level of supervision when the Region is no longer sponsoring the supervisors’ contracts.

F. **Training Sub-Committee** – Will meet when final training topics have been decided for new FY work plan.

G. **Mental Health First Aid Instructor Support Group Meeting** - We are meeting regularly to discuss implementation and training strategies. Next meeting: TBD.

H. **Coordinator’s Monthly Work Updates** – This topic was not covered during the meeting.

V. **Adjourn Regional Meeting**
