B. Minutes from June 2nd, 2016 were approved with no edits.

III. Action Items and Possible Activities:
August 15, 2016 – Gina went through the contents of the draft report. She 
will disseminate the report to give all Regional Partners an opportunity to 
suggest edits.

IV. Updates:

A. Submitted finalized OSHPD Work Plan by due date of June 30, 2016.
B. Psychiatric Nurse Practitioner Interns/Supervision Discussion –
   Contract with CalMHSA ended June 30, 2016. Not enough counties were 
   interested in the same avenues to start any one project, though Sarah 
   Brichler of CalMHSA did a great job of developing resources that counties 
   in the Central Region can use when addressing psychiatrist and 
   psychiatric nurse practitioner shortages. Gina offered to disseminate the 
   emails and attachments to anyone who wanted them by requesting them 
   from Gina via email.
C. UC Davis Leadership Training Series – This training is complete.
   Feedback will be collected to add to our Regional outcomes.
D. Hybrid MSW Program Update – Fourth and final deliverable was 
   received timely. This contract has ended. We will look forward to 
   discussions on other possible field placement options. Additionally, Gina 
   will develop some questions for the Regional partners to edit then request 
   CSU Stanislaus staff in this program to disseminate the survey to find out 
   more about how the program is going.
E. Online CASRA Course at MJC – Ten students were sponsored by the 
   Central Region Partnership from five counties to attend this semester. 
   Evaluation information will be collected for outcomes.
F. Roving Supervisors – The new supervisor for Stanislaus-Tuolumne 
   counties shadowed the “retiring” supervisor in the month of June. All three 
   Roving Supervisors have fully executed contracts for FY 16/17. John 
   shared that Becky Gould, the Roving Supervisor for Amador and 
   Calaveras Counties, provided an excellent general cultural competency 
   training in Calaveras County. He suggested that others may want to know 
   of it.
G. Training Sub-Committee – Will meet in July to plan trainings for the year.
H. Mental Health First Aid Instructor Support Group Meeting - Meeting 
   regularly to discuss implementation and training strategies. “Spotlight” 
   topics are encouraged.
I. Coordinator’s Monthly Work Updates – This topic was not covered 
   during the meeting.
J. Work Plan Items – John suggested that the Regional Partners take a look 
   at some of the items on the Work Plan for FY 16/17 at the next Central 
   Region Partnership monthly meeting. Gina will tease out the non-training 
   topics as the Training Sub-Committee will be meeting to make 
   recommendations about training items on the Work Plan.
