Emery Cowan has over 18 years of experience in the behavioral health field and is the Mental Health Services Administrator for Solano County overseeing adult programs and quality improvement since July 2017. Previously, she was in South Florida as the Director of Clinical Services and Clinical Quality Improvement at a Managed Care organization contracted by the State Mental Health Authority and prior as the State Adult Mental Health Lead for North Carolina. Her work centers on the promotion of a recovery oriented system of care, implementation of evidence based practices and outcome-based practice improvement. She has implemented a county-wide youth system of care SAMHSA grant, evidence based such as Peer Support Services and Certification, IPS Supported Employment/Education, Employment First Policy Lead, Housing First/Supportive Housing, Assertive Community Treatment/TMACT measure, Trauma Resolution and TF-CBT, Motivational Interviewing, Culturally/Linguistically Appropriate Services (CLAS), Integrated Dual Disorders Treatment, and others. Emery has worked in state and local government roles as well as direct service levels in both North Carolina and South Florida. Emery is a Licensed Mental Health Counselor (FL), Certified Employment Support Professional, WRAP facilitator, SOAR trainer, national Supported Employment consultant, and has facilitated local and national trainings on Olmstead/community inclusion, recovery, and fidelity evaluation.
