  - Statewide information on county training and hiring practices regarding peer providers.
  - National information on State Certification programs for peer providers.
  - Medi-Cal and its relationship to Certification.
- It is expected that attendees will have read the information prior to the meeting.

*Working Well Together is a collaborative of four statewide client, family, parent/caregiver and mental health training and technical assistance organizations: California Network of Mental Health Clients, NAMI California, United Advocates for Children & Families, and the California Institute of Mental Health. Funded by the MHSA affirming wellness and recovery from mental illness, we ensure public mental health systems are prepared to recruit, hire, train, support and retain multicultural clients, family members and parent/caregivers as employees.*
