Dear Colleagues,

The Office of Statewide Health Planning and Development (OSHPD) has released the following Request for Applications (RFA).

**Evaluation of Changing and Emerging Needs of Public Mental/Behavioral Health Workforce**

The purpose of this RFA is to fund an organization that will engage in research to assess and evaluate different issues that affect changing and emerging needs of Mental/Behavioral Health Workforce in California’s Public Mental Health System (PMHS).

OSHPD recommends that interested parties should have their contracts and legal staff read the RFA in preparation for the mandatory pre-application conference and before they submit their proposal. No negotiation of the terms of the RFA or contract is allowed after an award has been made.

**A mandatory pre-application conference is scheduled on February 11, 2016 for this RFA at 3:00 PM.**

The mandatory pre-application conference will be available through conference call: (888) 278-0296, Code: 233068 or at the OSHPD Sacramento office: 400 R Street, Suite 330, Sacramento, California, 95811.

**Proposals Must be submitted to OSHPD by 3:30pm on March 18, 2016.**

To view a copy of the RFA on the OSHPD WET website, please click on the following link:

Questions regarding the RFA may be submitted to OSHPD via e-mail at OSHPD.MHSAWET@oshpd.ca.gov by 4:00pm February 2, 2016. Written responses, if any, will be posted by 5:00pm on February 9, 2016. All other questions will be answered during the mandatory pre-application conference.

Sincerely,

WET Staff
