Field Mentoring Checklist

Goal: ________________________________________________________________

Specifics Skill/Area of Focus: __________________________________________

Feedback:

1. What were specific strengths observed during field mentoring?

2. What effective interventions/approaches were used?

3. Were there any obstacles encountered?

4. What alternative interventions/approaches could have been used?

5. In what areas would the case manager like further support in developing skills

Plan for Follow-up:

1. ________________________________________________________________

2. ________________________________________________________________

3. ________________________________________________________________

4. ________________________________________________________________
