

Please forward this email to the county staff that attended the FLI to use as their support for the 5% state share of the optional ACA clients.

Base Policy Change 70, beginning on page 38 of the base policy change tab of the FY17/18 May Budget Revision, describes the funding for Medi-Cal Specialty Mental Health Services (SMHS) for Adults. The second bullet under #9 on page 41 describes how the state will pay the non-federal share for the ACA clients. Base Policy Change 71, beginning on page 43 of the base policy change tab of the FY17/18 May Budget Revision, describes the funding for Medi-Cal Specialty Mental Health Services (SMHS) for Children. The third bullet under #7 on page 45 describes how the state will pay the non-federal share for the ACA clients. Also, even though I did not discuss this during the FLI, the base policy changes for the D/MC program (63, 65, 66, and 68) also describe how the state intends to pay the non-federal share for ACA clients.
