Linda Garrett has been providing risk management services to public entity clients for over 25 years. As loss prevention consultant for the CSAC Excess Insurance Authority Medical Malpractice Programs, she provides services to over 50 County and other public entity health, mental health, and correctional healthcare programs, as well as to several County hospitals. She also consults with a group of Nevada rural hospitals, providing similar education and loss prevention services. Her work includes providing training to healthcare clinicians, administrators, compliance, quality and privacy officers, and QA/QI coordinators on a variety of medical/legal topics including consent, charting, mandated reporting, involuntary mental health treatment, patients' rights, and federal and state medical confidentiality laws (including HIPAA, HITECH Act, and 42 CFR Part 2).

Before working as a risk manager, Ms. Garrett practiced as a medical malpractice defense attorney for a law firm in San Francisco, California. She is a graduate of the University of California, Berkeley and UC Hastings College of the Law.
