

Linnea Koopmans, Senior Policy Analyst, CBHDA

Linnea joined CBHDA as a Senior Policy Analyst in the spring of 2016. Her work at the association focuses on Medi-Cal policy and legislative issues including California's 1915(b) waiver, federal and state regulations pertaining to county mental health plans, 1115 waiver programs, and primary care and behavioral health care integration. She is also the association's analyst on policies related to criminal justice diversion and re-entry for individuals with behavioral health needs. Linnea previously worked for the Los Angeles County Department of Mental Health on systemwide access to care efforts. Linnea earned her Masters of Social Welfare from the University of California – Los Angeles.
