

Using Graphic Recordings

Beth Conley

Layers of Understanding

Glance Layer

- What is the point or topic of the notes?
- Is there a theme or metaphor?

Uses of the Glance Layer

- Decide who needs to review the notes.

Layers of Understanding

Scan Layer

- What are the headlines?
- What points are quickly recognized?

Elements

Uses of the Scan Layer

- Develop an agenda for discussion with a team.

Layers of Understanding

Study Layer

- What links or other references should be reviewed?
- Are there future events highlighted?

Uses of the Study Layer

- Assign someone to research the additional information and report back.
