

## Adolescent Early Intervention and SUD Treatment Summit Taking it Home: What's Next?

Take five minutes to think about your key takeaways and next steps following this Summit. At your table, share one key takeaway, goal, and/or next step. Talk about any opportunities to work together. Use this sheet for notes as a reminder of your thoughts, intention and conversations.

What are your key takeaways from the Summit? What is most meaningful for your efforts to build a continuum of care that is responsive to adolescent needs in your county?
