I will identify/describe at least ______ (how many?) qualities that distinguish a good tenant from other tenants, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) qualities that distinguish a good roommate from other roommates, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) things that interfere with my ability to get and remain in one residence, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) ways my / my family’s immigration status affects my housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) ways my housing affects my / my family’s immigration status, as evidenced by ______ (specify).

Identifying Relevant Strengths, Resources, and Methods
I will ______ (specify), as evidenced by ______ (specify).
I will describe the function of a case manager in finding, getting and/or keeping housing, as evidenced by ______ (specify).
I will describe ______ (how many?) expectations for an effective relationship between myself and my case manager with regard to housing support, as evidenced by ______ (specify).
I will find at least ______ (how many?) available and affordable housing options, as evidenced by ______ (specify), as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) personal strengths relevant to improving access to needed housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) coping techniques previously used to access needed housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) coping techniques previously used to remain in stable housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) coping techniques previously used to improve access to housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) available kinds of housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) methods generally used to improve a person’s access to housing, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) personal qualities that make it possible for me to be a good tenant, as evidenced by ______ (specify).
I will identify/describe at least ______ (how many?) personal qualities that make it possible for me to be a good roommate, as evidenced by ______ (specify).
I will rate my relative comfort in using each identified personal strength relevant to accessing housing resources, as evidenced by ______ (specify).
I will rate my relative comfort in using each identified coping technique relevant to housing, as evidenced by ______ (specify).
I will rate my relative comfort in using each identified housing resource, as evidenced by ______ (specify).
I will rate my relative comfort in using each identified method relevant to accessing housing, as evidenced by ______ (specify).
